Dear Angela,

Thank you for your commitment to the Y2Y initiative and your participation in Y2Y Week at the St. Louis Job Corps Center. I enjoyed meeting you and joining the conversations you facilitated with the students.

I would especially like to thank you for joining us the next day for our Peace Walk at Harris-Stowe State University. Job Corps offers students a first step toward a career, and we cannot succeed in that effort without the support of community partners such as Community Mediation Services.

I hope you will continue to be involved at the St. Louis Job Corps Center. I know students and graduates can benefit from your guidance.

Thank you,

Sincerely,

P.S. The students seemed to really connect with you. I'm so happy they have you as a community resource!
